Tom Richmond* (tom.richmond@wku.edu), Department of Mathematics, Western Kentucky University, 1906 College Heights Blvd., Bowling Green, KY 42101. *A Discrete Transition to Advanced Mathematics*. Preliminary report.

The use of a sophomore level discrete mathematics course as the "transition to advanced mathematics" course will be discussed. Some (locally) successful strategies and some less successful strategies will be mentioned. (Received September 20, 2007)
