**Jean Bee Chan\*** (jbchan1@yahoo.com), 1281 Idylberry Road, San Rafael, CA 94903. *Higher Math: An Introduction.*

We will discuss our course "Higher Math: An Introduction," student population, as well as success and challenges. An objective of this course on our campus is "Chapter 0" for other upper division mathematics courses. Number theory and set theory examples are used to illustrate proof writing. (Received September 17, 2007)
