

1077-15-2917      **Ileana Ionascu\*** (ionascui@philau.edu). *Variations of orbit reflexivity for matrices.*

The presentation will give the characterizations of orbit reflexivity and of some more newly defined variations of it, as C-orbit reflexivity and null-orbit reflexivity for matrices seen as operators on finite dimensional spaces. (Received September 23, 2011)
