Jaffar Ali*, Dept. Math & Chem, Florida Gulf Coast University, 10501 FGCU Blvd. S., Fort Myers, FL 33967, and **Peng Feng**. *A remark on the entire solutions for a class of elliptic system with linear gradient terms*. Preliminary report.

In this talk, we discuss the existence of positive entire large radial solutions to the nonlinear elliptic system with gradient terms. (Received September 22, 2011)
