

1116-H1-1975 **David Strong*** (david.strong@pepperdine.edu), Department of Mathematics, Pepperdine University, 24255 Pacific Coast Highway, Malibu, CA 91214. *Online Linear Algebra Tools from the MAA Course Communities.*

The MAA's Course Communities is a developing collection of reviewed resources, organized by courses. The collection of Linear Algebra resources was first compiled in 2014 and continues to grow. As a member of the Linear Algebra Working Group commissioned to help compile this collection, I will share some of what I find to be the most useful tools from this collection. (Received September 21, 2015)
