**Karen B. McCreedy\***, karenmccreedy@kings.edu. *Practice makes perfect & explaining makes experts!* Preliminary report.

There are many ways to encourage students to study and look at material in more depth. We will consider one method for promoting regular study habits that also provides the opportunity for students to develop leadership and communication skills by guiding a group of their peers. Some modifications for applying this design both in and out of class will be considered. (Received August 01, 2018)
