

1145-VJ-2277 **Yun Lu*** (lu@kutztown.edu), Kutztown, PA 19530. *Teaching Calculus Using Mathematica.*

In this talk, I will investigate the students engagement in calculus II courses and share my experience about the implementation of Mathematica to promote student learning results and engagement. I will share some of my approaches, as well as students' feedback and performance if time allows. (Received September 25, 2018)
