1147-53-859   **Li-Sheng Tseng***, Department of Mathematics, University of California, Irvine, CA 92697. *On non-Kähler SYZ mirror symmetry.*

I will review Lau-Tseng-Yau's study of SYZ mirror symmetry on non-Kähler Calabi-Yau manifolds and describe some of the novel invariants that arise in this context. (Received January 29, 2019)
