

BIG Career Center: Information for Exhibitors
January 15 – 18, 2020, Joint Mathematics Meetings, Denver, Colorado

The BIG Career Center (www.jointmathematicsm meetings.org/bigcc) provides a physical space in the exhibit area of the Joint Mathematics Meetings (JMM) for exchange between:

- Business, Industry, and Government (BIG) employers of mathematically-trained individuals
- those inquiring about career opportunities in the exhibitors' organizations

JMM is the largest mathematics meeting in the world, and in 2020 it is hosted at the Colorado Convention Center. Industry representatives signed up for time slots at the BIG Career Booth can network and provide information about their organizations. They will find:

- Talented, energetic, in-training and practicing mathematical scientists
- Opportunities to ask for resumes and distribute business cards and other information
- A centrally-located, turnkey venue in the exhibit area
- Traffic from the anticipated 6,000 JMM attendees

Location: Colorado Convention Center Exhibit Hall, booths 938 and 940

Space in the BIG Career Booth is provided in specified time slots, as shown in the table. Tables for two simultaneous exhibitors will be provided.

Date	Day	Exhibit Hours
1/15/20	Wed	12:15 – 5:30
1/16/20	Thu	9:30 – 5:30
1/17/20	Fri	9:30 – 5:30
1/18/20	Sat	9:00 – 12:00

Employers may reserve slots of duration in 1 hour increments beginning on the half hour, except for the slightly extended time 12:15 – 1:30 on Wednesday.

Once time slots have been reserved, employers will have access to a **resume book** of people attending the Joint Mathematics meetings. AMS staff will provide login credentials to MathJobs.org, where the resumes will be housed.

The booth will be staffed by AMS staff and volunteer personnel. Exhibitors may wish to bring small-footprint signage or a customized tablecloth for the slots in which they are scheduled; they may bring printed materials to display at the booth throughout the exhibit times.

Those already planning to attend JMM and those working in the Denver area may be especially interested in this opportunity.

The cost is \$100/hr; the period 12:15 – 1:30 on Wednesday is counted as 1 hour.

To request time slots at the BIG Careers Booth or obtain additional information, email bigcareers@ams.org. Priority in fulfilling these requests will be based on the order in which they are received.

If your company would like to purchase booth space for the duration of the conference, please see the [Information for Exhibitors](#).
