Frank S. Quinn* (quinn@math.vt.edu), Mathematics, Va Tech, Blacksburg, VA 24061-0123.

The Emporium is a full-scale steady-state facility with more than 7,000 students a semester taking courses or tests and a help staff budget over half a million dollars. This talk describes how we got this point, where we hope to go from there, and opportunities for other institutions. (Received August 22, 2004)
