

1023-Z1-1411      **John D. Kloke\*** ([john.kloke@pomona.edu](mailto:john.kloke@pomona.edu)), Department of Mathematics, Pomona College, 610 N. College Ave, Claremont, CA 91711. *A Second Course in Biostatistics at a Liberal Arts College?* Preliminary report.

Very few small schools have even one course in Biostatistics. Next semester we will be offering a second course. We will begin by briefly discussing how such an anomaly came into existence. Next, we will discuss the likely audience for our course. Finally, we will discuss possible outlines for these types of courses. (Received September 26, 2006)
