Commitment to Clean Meeting Spaces

CLEANLINESS & HYGIENE

- Based on current local jurisdictional guidance, masks are to be worn indoors until further notice.
- Marriott International policy dictates associates are to wear masks at all times while working indoors.
- Covid-19 prevention signage placed in high-traffic areas.
- Meeting spaces are disinfected overnight using electrostatic sprayers.
- All equipment and meeting amenities are sanitized between each meeting.
- Surfaces are cleaned with Ecolab Peroxide Multi Surface Disinfectant which kills Covid-19 with one application.
- Linens are replaced each day and after meals as needed.
- Sanitizing stations with hand sanitizer are easily accessible to guests in meeting rooms.
- Disinfectant wipes are provided for speakers at podiums.
- Pens and writing pads have been removed from standard setup, available upon request.

DEEPER, MORE FREQUENT CLEANING

- Enhanced cleaning protocols for disinfecting meeting spaces.
- Sanitizing restrooms more frequently during peak usage.
- Disinfecting frequently touched items such as elevator buttons, escalator & stair handrails and doorknobs, as often as every hour.

MEALS & BREAKS

- Custom solutions tailored to each group's requests.
- Service may include a combination of server attended buffets, and single-serve packaged items.
- Use of barriers and additional PPE as needed.
- Hand sanitizer stations set at buffet queues.
